

Darlington foundation Report 13/9/2023

Thanks to all Darlington trustee, this is the report of the Darlington foundation for the last 8 months, and we are talking the following points

1. the expense of the foundation for the coming year

The coming year we estimate our expense **\$22,000**, this is similar to previous year since our student is similar to previous year, and you can see the detail the expense documents. Now we have **\$13,000**, so we need **\$9,000**

2. Graduates of 2023

we are very happy this year that we are getting the largest numbers of graduates in the year of 2023 and they are eight graduates (**8 graduates**). and I will share with you all the pictures of the graduates in September.

Name	Regions	University	Faculty
1. Ahmed Diiriye Geele	Awdal	Amoud university	Education
2. Ahmed Abdirahman Mohamed	Daad Madheed	Edna Adan	Laboratory
3. Hamda Esse Jamac	Hawd	Edna Adan	Nursing
4. Xusen Ali Xasan	Badhan	Golis University	ICT
5. Han Osman Muse	Awdal	Amoud university	Education
6. Mohamed Abdikadir	Maroodijex	Admas univervy	ICT
7. Jamal Fuad Ali	Togdheer	Buroa university	Accounting
8. Cabdi Fatax Barkhad Cumar	Salel	ADAL medical collegue	Nursing

3. Crises in Sool regions

Since the crises has started in SOOL regions, three of our students are out of the universities, since all the schools and universities are closed, one of them told me that he is planning to join one of Hargeisa university but still he did not, all of them we hope to join again their universities the students are as follows

Name	University	Faculty
1. Cawil Farah Omer	Golis	Business
2. Ahmed Nur Mohamed	Ilays National University	Computer science
3. Abdirahman Mohamed Abdilahi	Golis University	Sharia and Law

4. the finance of the foundation

In this academic year most of the universities' fees we paid, but some university especially those with three semesters are remaining us to pay one semester,

5. the new students of the year 2023

According to our financial capability we need to think, how many students we can take this year? this is special to Richard and Susan, and the number of graduates **is 8 students**

6. the total number of our students

Now our students' number is as follows

Categories	Number
Graduates	43
Currently studying universities	31
Drop out	8
Total number of the students	82

7. our website

Thanks to **Vaughan Robinson** for the effort you made to fix our website, now our website is very good, he has removed all irrelevant photos, and this year I will send you all the photos of the graduates and the Vaughan Robinson will post to the website.

8. updates list our students in this academic year
